EXAMINER: Initial reference is made to determine whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and note reason for nonconformance. If citation is in conformance, file this page with the rest of the application. If citation is in conformance, file this page with the rest of the application.

For Japanese patent documents, the indication of the year or the reign of the emperor must precede the serial number of the patent document. Kind of document or document by whom the application was filed must be indicated in parentheses after the serial number. The indication of the name of the Japanese patent office or the name of the Japanese Patent Office by whom the application was filed must be indicated in parentheses after the name of the Japanese patent office.

For U.S. patent applications, the indication of the name of the U.S. Patent and Trademark Office or the name of the U.S. Patent and Trademark Office by whom the application was filed must be indicated in parentheses after the name of the U.S. Patent and Trademark Office.

*EXAMINER: Initials if reference considered, whether or not citation is in conformance with MPEP; use 12 row line through citation if not in conformance and not considered, include copy of this form with next communication to applicant. Applicant's unique citation designation number (optional): _____

**SEARCHER: Name of USPTO Searcher who conducted search of record and date of search. If not a USPTO Searcher, name of attorney or agent and date of search.

**PAPERBACK: Name of paper document containing the reference(s) and date received by the USPTO. If not a paper document, name of electronic document and date received by the USPTO.

TRANSLATION: This classification of information is required by 37 CFR 1.97 and 1.98. The information is required to obtain or retain a benefit by the public which is to be provided by the USPTO to process a patent application. The classification is determined by the two-letter code (MPEP Standard ST 3), and by the number of pages contained in the document. If it is impossible to assign a classification, the classification is to be assigned to the next higher classification. The classification is to be assigned to the next higher classification if the amount of time you require to complete this form, after your suggestions for reducing this burden, is estimated to take 2 hours or more to complete.

DATE CONSIDERED

*EXAMINER: Initial if reference considered, whether or not citation is in conformance with MPEP 608. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant. Applicant's unique citation designation number (optional).² Examiner's code (MPEP Standard 57.1): For handwritten documents, enter the initials of the name of the Examiner. For typed documents, enter the initials of the name of the Examiner followed by the initials of the document examiner. If the name of the Examiner is not the same as the name of the document examiner, enter the initials of the document examiner. The initials of the document examiner will be used to determine the kind of document designated by the citation. The appropriate symbol is indicated on the document under WIPO Standard ST:16 if possible. If applicable, it is placed a check mark if English language translation is attached. This classification of information is required by 37 CFR 1.97 and 1.98. The information is not required to obtain or retain a benefit by the public which is to file and publish applications and other documents in the Patent and Trademark Office. There is no duty to furnish this information to the public. The information may be furnished to the public by the Office or by the Office's contractors or agents. The information is not required to obtain or retain a benefit by the public which is to file and publish applications and other documents in the Patent and Trademark Office. There is no duty to furnish this information to the public. The information may be furnished to the public by the Office or by the Office's contractors or agents. TO: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450. DO NOT SEND FEES OR COMPLETED FORMS TO THIS ADDRESS. SEND TO: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

If you need assistance in completing this form, call 1-800-PTO-9199 (1-800-786-9199) and select option 2.
